In the event of there being more applications to the school year concerned than places available, a waiting list of students whose applications for admission to St. Mary’s CBS were unsuccessful due to the school being oversubscribed will be compiled and will remain valid for the school year in which admission is being sought.

Placement on the waiting list of St. Mary’s CBS is in the order of priority assigned to the students’ applications after the school has applied the selection criteria in accordance with this admission policy.

Applicants whose applications are received after the closing date, outlined in the Annual Admission Notice, will be placed at the end of the waiting list in order of the date of receipt of the application.

Offers of any subsequent places that become available for and during the school year in relation to which admission is being sought will be made to those students on the waiting list, in accordance with the order of priority in relation to which the students have been placed on the list.

be offered a place if there is place available. In the event that there is no place available, the name of the applicant will be added to the waiting list as set out in Section 13.

### **15. Procedures for admission of students to other years and during the school year**

The procedures of the school in relation to the admission of students who are not already admitted to the school to classes or years other than the school's intake group are as follows:

*Applications for enrolment during the school year will be considered subject to school policy, available space and the provision of information concerning attendance and the child's educational progress.*

*Such applications will be dealt with on a case-by-case basis but will normally only be considered for admission on the first day of each new term unless the applicant is newly resident in the area.*

The procedures of the school in relation to the admission of students who are not already admitted to the school, after the commencement of the school year in which admission is sought, are as follows:

*In the event of there being more applications to the school year concerned than places available, a waiting list of students whose applications for admission to St. Mary's CBS were unsuccessful due to the school being oversubscribed will be compiled and will remain valid for the school year in which admission is being sought.*

*Placement on the waiting list of St. Mary's CBS is in the order of priority assigned to the students' applications after the school has applied the selection criteria in accordance with this admission policy.*

*It may be necessary for the Board of Management to decide to accept the enrolment of a certain pupil but defer the commencement date of a particular child, pending the provision of appropriate resources by the Department of Education & Skills to meet the needs of the pupil as specified in a Psychological and /or medical report.*

*The board of management has a duty of care to ensure, as far as practicable, the safety of the students and staff of the school. In addition, the board of management is required under section 15(1) of the Education Act 1998 to provide, or cause to be provided, an appropriate education for each student at the school for which that board has responsibility. An application for admission may be refused, therefore, where the admission of the applicant would pose a significant risk to the health and safety of the applicant or students and staff of the school, or risk significantly interfering with the right of other students to an appropriate education.*

### **16. Declaration in relation to the non-charging of fees**

This rule applies to all schools.

The board of St. Mary's CBS or any persons acting on its behalf will not charge fees for or seek payment or contributions (howsoever described) as a condition of-

- (b) the admission or continued enrolment of a student in the school.

## **17. Arrangements regarding students not attending religious instruction**

The following are the school's arrangements for students, where the parents have requested that the student attend the school without attending religious instruction in the school. These arrangements will not result in a reduction in the school day of such students:

A written request should be made to the Principal of the school. A meeting will then be arranged with the parent(s) or the student, as the case may be, to discuss how the request may be accommodated by the school.

## **18. Reviews/appeals**

### **Review of decisions by the board of Management**

The parent of the student, or in the case of a student who has reached the age of 18 years, the student, may request the board to review a decision to refuse admission. Such requests must be made in accordance with Section 29C of the Education Act 1998.

The timeline within which such a review must be requested and the other requirements applicable to such reviews are set out in the procedures determined by the Minister under section 29B of the Education Act 1998 which are published on the website of the Department of Education and Skills.

The waiting list will operate in accordance to the enrolment criteria and priority order as decided by the Admission Team.
5. The waiting list will be maintained for the duration of the academic year only, for which the initial application was made. All documentation regarding enrolment of those that do not secure a place will be destroyed at the end of the academic year
6. Those who wish to apply for a place for the following school year must reapply in accordance with the admissions policy for that school year
7. Please note that fulfilling the enrolment criteria does not necessarily ensure enrolment if sufficient places are not available and/or sufficient classroom space is not available
8. An Open Afternoon for all prospective pupils and their parents will take place in Term 3 of each year (after Easter Holidays)

**Appendix 2:** Process for Admission to ASD Early Intervention Special Class

1. Prior to commencement of any admission process to special class, parents are advised to consult the SENO in order to ascertain the most adjacent special class to their own geographical location
2. Having been advised by the SENO that St. Mary's CBS is the most adjacent special class with availability parents must then adhere to the admissions process of the school as outlined below
3. Parents are reminded to advise the SENO and follow up with school, if the sanction of transport/bus escort is required by the Department of Education & Skills
4. **Enrolment Admission Forms** will be available after the 1<sup>st</sup> October each year. This form must be fully completed by the parent/guardian on behalf of the child.

5. **Enrolment Admission Forms** and requested relevant documentation must be returned fully completed to school on or before 31<sup>st</sup> December.
6. Parents are reminded that applications to Special Class will only be processed on the basis of the inclusion of relevant professional reports with the Enrolment Application Form. The following statements must be included within the reports:
  - (i) diagnose ASD according to DES guidelines – DSM IV/V or ICD 10 sanctioning letter
  - (ii) state that consideration could be given to placement in an ASD Special Class in a mainstream school. It is envisaged that reports should differentiate between a Special Class setting and Special School setting to ensure the needs of the child are accurately met. *Please note that consideration for special class admission will not be provided where reports state special school as opposed to special class provision is most suitable to meet the child's learning needs.*
  - (iii) Reports should not be more than two years old from the date of proposed enrolment (i.e. start date of the academic school year)
  - (iv) The child is aged between 3 and 6 years of age when they commence. A child is only entitled to a two year enrolment. Pupils who reach the age of 6 during the academic year will not be enrolled during that year.
7. The withholding of reports and pertinent information from the School Admissions team will invalidate an Enrolment Application at any time. Where there is insufficient information provided about a child, the school may not be able to make a decision.
8. Places will be offered at the start of February. If offered a place, an **Acceptance Form** is issued by the school along with **Enrolment Special Class (ASD) Registration Form** and additional documentation, if required. This must be returned to the school within **seven days**. If this confirmation is not received within that time, the place will be reallocated.
9. Once the completed Acceptance Form and Registration Form have been received the Admissions team will meet with parents/guardians again to complete the NCSE Special Class Application Form. This form is then forwarded to the SENO who finalises the decision on whether or not the child can be enrolled in the ASD Special Class.
10. If the application fulfils all of the enrolment criteria but is not offered a place, as there is no place available, the parent/guardian may opt to put the child's name on a waiting list. The waiting list will operate in accordance to the enrolment criteria and priority order as decided by the Admission Team.
11. The maximum class size is 6 pupils, having due regard for space allocated per child, as per Health & Safety Regulations and according to DES guidelines. If the number of applicants eligible for enrolment exceeds the number of places available, the selection criteria as outlined in Section 6 Oversubscription of the Admissions policy will apply.

12. The waiting list will be maintained for the duration of the academic year only, for which the initial application was made. All documentation regarding enrolment of those that do not secure a place will be destroyed at the end of the academic year.
13. Those not offered a place will automatically be placed at the top of the waiting list for the next academic year – provided they will continue to meet the enrolment criteria and in accordance with their place on the waiting list the previous year.
14. Please note that fulfilling the enrolment criteria does not necessarily ensure enrolment if sufficient places are not available and/or sufficient classroom space is not available
15. Parent/Guardian will be invited on another occasion to come with their child to the class to meet with staff and see the classroom, discuss their IEP plan to address these needs and assess whether the placement is appropriate.
16. The BOM seeks to ensure that placement within the ASD Special Class for children are reviewed annually in order to ensure that the placement continues to be appropriate for each child.
17. It is school policy to facilitate the discharge of pupils from Special Class once they have reached the age of 6. Pupils who reach the age of 6 during the academic year will not be enrolled during that year. The school will enrol from the age of 3-6.
18. Discharge may also be recommended at any stage within the first year and subsequently if following psychological assessment and consultation with parents/guardians, it is felt that the placement is no longer appropriate or serves the best interest of the child. The Board of Management reserves the right to overrule any decision made in relation to discharge at any stage. The school also reserves the right to review the child's progress after each year to determine whether this is an appropriate placement for the child.

St. Mary's CBS, Clonmel is a Catholic primary school under the patronage of the Bishop of Waterford and Lismore Diocese. The policies, practices and attitudes of the school are based on Christian values.

St. Mary's has the welfare of the student in all matters, as its primary objective. The aim of our school is to provide a safe, secure, structured and stimulating educational environment for each student.

Thus the responsibility of the school is to help each student reach their fullest potential. This means fostering the spiritual, moral, intellectual, social and cultural development of each student.

It is recognised that the realisation of this ethos derives from the existence of a strong sense of community within the school where the staff feel valued and empowered. It also derives from a high level of co-operation among the partners in Education, i.e., Department of Education, Board of Management, Principal, Staff and Parents- where the contribution of parents to the school is valued and encouraged. It depends intrinsically on the interest and positive support of Board of Management Members, Staff, Parents and Students.
